Service Technician

PNW Electric is hiring an experienced, licensed Service Journeyman for an immediate full-time position. We are looking for a dependable, customer-focused professional who takes pride in delivering high-quality workmanship and exceptional service. If you enjoy troubleshooting, solving problems, interacting with customers, and working independently while being part of a strong team, we'd like to hear from you.

Position Overview

As a Service Electrician Technician, you will handle residential and commercial service calls, troubleshooting, repairs, panel upgrades, remodels, and small project installations. This position requires strong diagnostic abilities, professionalism, and excellent communication skills. Experience with ServiceTitan is highly preferred.

What We Offer

- Above-average, competitive wages (DOE)
- Company vehicle with take-home privileges
- Gas card provided
- Paid drive time*
(*Depending on project assignment)
- Medical and dental insurance
- Paid vacation and sick leave
- Retirement plan with company match
- Company-provided clothing
- Consistent, year-round work
- Compensation and benefits negotiable based on experience

Responsibilities

- Diagnose and troubleshoot electrical issues efficiently
- Complete residential and commercial service calls

- Perform repairs, upgrades, and installations
- Communicate clearly with customers regarding solutions and recommendations
- Maintain accurate job documentation, estimates, and invoicing through ServiceTitan
- Be self-driven and motivated to learn and fully utilize the ServiceTitan system
- Maintain a sales-driven mindset by identifying opportunities to provide additional solutions and value to customers
- Ensure all work meets current electrical codes and safety standards
- Deliver outstanding customer service on every project

Requirements

- Valid Oregon Journeyman Electrician License
- Valid driver's license with clean driving record
- Strong troubleshooting and problem-solving skills
- Experience in service electrical work is required
- ServiceTitan experience is a plus
- Professional attitude and appearance
- Excellent customer service and communication skills
- Dependable, punctual, and self-motivated
- Ability to work independently and as part of a team
- Personal hand tools required

Join a company that values its electricians, invests in professional growth, and takes pride in quality work and exceptional customer service.
